## A FEW QUESTIONS?

Why did you throw that lamp away?  
Was it because you couldn't find a burner?  
Was it because you couldn't find a wick?  
Was it because you couldn't find a chimney?  
Was it because the collar came off?  
If it was for any of these causes, don't throw another lamp away, but bring it to us and we will fix it for you. Why we will even fix your Center Draught lamp, so you can burn either gas or electricity in it.

### Maryland Democrats Hope for Much.

By Associated Press. Annapolis, Md. March 20.—The most important change in existing methods accomplished by the enactment of the disfranchisement law lies in depriving illiterate voters of the assistance of ballot clerks in preparing ballots. The Democrats expect that it will disfranchise about 32,000 negroes and perhaps 16,000 whites. It is claimed that all the negroes and about fifty per cent of the illiterate whites vote the Republican ticket. With these out of the way it is held that the state will be safely Democratic for many years to come and the immediate result will be the election of a Democratic legislature next fall and of a Democrat to succeed United States Senator Wellington in 1902.
